Confidentiality Agreement. Discussions at Trafinz meetings will often involve the sharing of information by attending parties that is not yet publicly available or policy. This may include details of possible future national policies which are in the early stages of development and draft submissions on these policies. It is provided on the basis that there are advantages to be gained from sharing the information and gaining feedback from Trafinz as an organisation representing the views of territorial local authorities and their communities. Confidentiality of this information is crucial and therefore any intending member must complete and abide by the following confidentiality agreement.

"We (the intending member) acknowledge and accept that any information relating to the development of possible national transport policies, rules and procedures we becomes privy to in the course of or as a consequence of our membership shall be maintained in the strictest confidence and we shall not divulge/release or otherwise allow the information to be made known to any person/persons who otherwise are not eligible to partake of such information without first discussing the matter with the President or Vice President and where necessary gaining Trafinz Executive approval."

Information for Intending Members

The NZ Traffic Institute Inc has been in existence since 1948 and has the following objectives:

1. To provide or advocate for public mobility including the planning provision and management of roads, public transport and parking in a sustainable manner.
2. To promote the safe use of roads by all, through education, encouragement, engineering and enforcement.
3. To ensure the environmental impact of traffic movement is recognised and treated sensitively.
4. To ensure that the Ministry of Transport and New Zealand Transport Agency and their departments and partner agencies are aware of the needs of local authorities and their communities.

The Institutes membership comprises local and territorial authorities, crown agencies and consultants. The Institutes strategic partners are Local Government NZ, MOT, SASTA, NZ Transport Agency, NZ Police and ACC. Local Government members are represented by both elected members and technical staff.
